

FPX-1

FLOOD PROBE FOR THE AXD-200 UNIVERSAL DETECTOR

The probe is to be connected to the **AXD-200** (white), **AXD-200 BR** (brown) or **AXD-200 DG** (dark gray) universal detector working as a flood detector. The 3 m long flexible cable makes the installation easy, even in hard-to-reach places.

- cable length: 3 m
- available in three color versions: white (**FPX-1**), brown (**FPX-1 BR**) and dark gray (**FPX-1 DG**)
